

RAP COP REIMBURSEMENT TRAVEL GRANT FOR ATC

The Recovery and Preservation Community of Practice offered one travel grant to their Early Career member.

To apply for the RAP COP Early Career Member-at-Large:

All applicants must be AST members, be a member of the COP (by December 31st of the previous year) they would like to serve on, and have one of the two following criteria:

- Currently enrolled in a pre-doctoral or post-doctoral training program that is relevant to the science and clinical practice of organ and tissue transplantation

OR

- Have completed their transplant training program within the past two years and are actively engaged in the science and clinical practice of organ and tissue transplantation (doctoral or non-doctoral).

Early Career Member-at-Large Position (one-year term)

- Attends Executive Committee conference calls and meetings.
- Based on mandates received from the Board of Directors, assists the Chair and Co-Chair in achieving annual goals, objectives, and initiatives.
